 MOE +/- 3.7%

Q37. On another issue, New York's Adirondack Park High Peaks motor-free wilderness area. Some say that the state should prioritize accommodating the high demand for hiking in that area by building bigger parking lots and wider trails and not limiting use. Others say the state should prioritize the preservation of the area and limit the total number of hikers allowed on any particular day. Which option do you support for the Adirondack Wilderness area: [CHOICES ROTATED]
